State Survey Preparation
Medication Administration

8 A.M. to 12 P.M.

Loree Tamayo Consulting and Management is based out of the Austin, Texas area, and has clients throughout Texas. Many of our clients are in rural areas or are part of smaller organizations that lack the resources or personnel to manage the variety of tasks and expertise required to open or operate a successful facility or agency.

State Survey Preparation Program Summary

This seminar will enable assisted living facility management to prepare for survey and implement a program to remain prepared. The elements and tools for an effective mock survey will be reviewed to include checklists for dietary, nursing, pharmacy, personnel, and environmental services. We will also review various methods to conduct a mock survey to ensure effectiveness. Frequently found deficiencies will be discussed as well as programs or solutions to avoid them.

1 P.M. to 5 P.M.

Linda Abel is a registered nurse who began working as a part-time Wellness Director in an Assisted Living community in 1996. Since then, she has worked as a regional nurse and at the corporate level in the areas of policy development and education and training for AL managers, nurses, and caregivers. Since 2011, she has taught the Manager's Classes for TALA. For several years she has coordinated the nursing continuing education presentations for the TALA conference and has presented classes on RN Delegation and the LVN Scope of Practice. Linda is now also working as the volunteer Dementia Support Resource Coordinator for First United Methodist Church in Fort Worth, presenting and hosting education sessions for the community. She recently completed certification as a Coach using the Positive Approach to Care developed by Dementia Expert Teepa Snow.
