

Hurricane Harvey – The Aftermath and How You Can Help

TALA truly appreciates everyone who has reached out to us during this unprecedented event. While the situation is still fluid, rain continues to move up the gulf coast and hamper relief efforts, we do know that many of our assisted living family members have been impacted. There are even cases where staff who evacuated with their residents, or sheltered in place to provide on-going care, have lost their own homes. There are a couple of ways you can help.

You may always donate to the Red Cross at www.redcross.org.

To help our affected members directly, we're recommending that you purchase gift cards to the stores listed below. TALA will accept the gift card donations and send them directly to the communities who notify us about the needs of their residents and staff members. (We're keeping a list updated daily) Any unneeded cards will go to local relief efforts.

You may send the cards either electronically, to gail.harmon@tala.org, or by mail to our address listed below.

Target – www.target.com/giftcards

Walmart – www.walmart.com/giftcards

HEB – www.heb.com/giftcards

Lowe's – www.lowes.com/giftcards

Home Depot – www.homedepot.com/giftcards

Please let us know if you have any questions. Again, TALA appreciates your thoughts and prayers during this difficult time.
