

## Owner/Operator Membership

TALA is the official state chapter of Argentum. Argentum is the largest national association representing the assisted living industry. Argentum serves executives of companies that operate professionally-managed communities for seniors. Argentum's mission is to continually raise the bar for operational excellence, serve as the voice for the senior living industry, and advocate for informed choice, quality care and accessibility for all Americans who need assistance with long-term care.

Your membership in TALA tells people that your company is dedicated to professionally operated assisted living communities for seniors.

Membership includes timely communications and alerts letting you know of industry developments and news of importance for Texas assisted living providers. Knowledge is power and a well informed membership is the key to effective advocacy and other TALA initiatives.

*\*TALA Membership Dues are paid annually*

### Member Benefits

#### Public Policy:

The ability to have your interests represented before the legislative and executive branches of government. The impact that decisions of legislators in Texas, the Governor, the Department of Aging and Disabilities, and the Health and Human Services Commission not only determine the care that can be provided to residents in residential care homes but also the manner in which you provide that care and operate your communities. TALA is strongly committed to having Texas assisted living operators determine the care that best meets the needs of the residents entrusted to your care. As a chapter of Argentum, TALA also monitors and reports on Federal legislative issues that impact Texas providers

#### Education & Conferences:

TALA's educational and networking opportunities are dedicated to raising the bar within our industry as well as promoting best practices and knowledge that will enhance care for residents in our communities. TALA's educational sessions and conferences will offer continuing education hours, peer-to-peer networking opportunities, presentations by state legislative and regulatory officials, legislative days combining educational and advocacy opportunities, and trade shows highlighting the latest products and services for assisted living.

#### Industry Communications:

Your membership in TALA includes timely alerts and communications letting you know of industry developments and news of importance for Texas assisted living providers. Knowledge is power and a well-informed membership will be the key to effective advocacy and other TALA initiatives.

## Owner/Operator Membership Application

Texas Assisted Living Association membership dues are \$28 x total assisted living resident capacity.

Total AL resident capacity \_\_\_\_\_ x \$28.00  
= \_\_\_\_\_ (TALA membership dues)
